Dear Mark,

Thank you very much for your donation to Truckee Day. This year, over 800 volunteers picked up over 7 tons of trash from alongside our roads! 700 burgers were served to volunteers at the Block Party. This remarkable turnout and effort is only possible because of the generosity of donors such as you, who make this event happen.

We look forward to working alongside you next year when the 8th annual Truckee Day will occur. Until then, please accept our thanks for helping to clean the streets of Truckee and connect our community at the Block Party celebration!

Please keep the previously-mailed written acknowledgement from the Truckee Tahoe Community Foundation for your tax records.

Warmly,
